

Buyers Remorse

(G - F - C Fast Pace Irish) (resolve is D)

Woke up late and fell right out of bed.

Slipped on shoes, stood up and banged my head.

My wife said, dear you'll be late, damn you.

Kissed her cheek and said see you soon. (Instrumentation Melody - resolve to D)

Ran to catch the transit bus,

Hopped the 9:15 with no fuss

Sat next to a lady with bright blue hair

Poised to go shopping, her name was Claire

She said:

Mind you, I like the sales

but when last I bought

twas a bit expensive and frail

a rather clumsy design that could of, perhaps

be purchased cheaper, (break D) as she started to wail:

(C - Bb - F) (resolve is D)

Oowee, ah, oowewa . etc..

(G - F - C Fast Pace Irish) (resolve is D)

Dumb - da - dee, da, dittle da deeh. etc.

(Instrumentation response Melody - resolve to D)

I looked at the lady and said Oh Dear.

I'm only trying to get to work, that's why I am here.

Sorry about your unfortunate shopping course.

(D)

But I can't stand to hear another word about your Buyers Remorse.
